

# **FINANCE OPERATIONS HANDBOOK**

## **1. Overview**

The Finance Operations Handbook defines standards for payroll, reimbursements, invoice processing, budgeting, and approval workflows. These policies ensure consistent, auditable practices while protecting sensitive financial data.

---

## **2. Payroll Administration**

### **2.1 Payroll Cycles**

- Payroll is processed bi-weekly.
- Cutoff: Tuesday at 12:00 PM for hours, adjustments, new hires, and terminations.

### **2.2 Payroll Adjustments**

The following adjustments may be processed:

- Missed hours corrections
- Retroactive pay changes
- Shift differentials
- Bonus/spot awards (with VP approval)

Restrictions:

- No manual changes to bank accounts without employee-submitted form.
  - Payroll cannot process same-day changes unless a compliance issue exists.
- 

## **3. Reimbursements**

### **3.1 Employee Expense Reimbursement**

Employees may request reimbursement for:

- Travel (flights, hotels, mileage at federal rate)
- Meals (with itemized receipts; alcohol not reimbursed)
- Office supplies

Rules:

- Must be submitted within 30 days of purchase.
- Must include receipt and business justification.
- Manager approval required for all reimbursements.
- Reimbursements paid out on the next payroll cycle.

### **3.2 Per Diem Policy**

- Applies to domestic travel only.
  - Rates follow U.S. GSA guidelines.
  - No receipt required for meals if claiming per diem.
- 

## **4. Vendor Invoices & Procurement**

### **4.1 Invoice Submission**

Vendors must submit invoices to [ap@triresolve.com](mailto:ap@triresolve.com) including:

- PO Number
- Invoice number
- Payment terms
- Description of goods/services

### **4.2 Approval Workflow**

- Under \$5,000: Manager approval
- \$5,000–\$25,000: Director approval
- Above \$25,000: CFO approval

### **4.3 Payment Terms**

Default: **Net 30**

Rush payments require justification and CFO approval.

---

## **5. Budget & Spend Controls**

### **5.1 Quarterly Budget Reviews**

Department heads must review:

- Spend vs. budget variance

- Forecast for next quarter
- Unplanned expenses

Finance provides variance reports.

## 5.2 Spend Categories

- Personnel
  - Software/SaaS
  - Hardware
  - Travel
  - Marketing
  - Professional Services
- 

## 6. Sensitive Data Controls

For AI agent safety:

- No storage or transmission of real account numbers.
- Banking updates must be done *only* through secure HRIS portal.
- Finance agent may confirm process, not actual account details.

Allowed:

- “Your next payment will include the adjustment.”
- “Your request requires manager approval.”

Not allowed:

- “Your paycheck will deposit into account ending in 1234.”
  - “Your routing number is...”
- 

## 7. Escalation Paths

- Payroll issues → Payroll Specialist
- Budget issues → Finance Business Partner
- Invoice disputes → Accounts Payable
- Fraud concerns → Internal Audit
